AMaGA National Conference

18 - 21 May 2020 Canberra

CREATING THE FUTURE:
TRUST. DIVERSITY. IMAGINATION.

INVITATION

Australian Museums and Galleries Association (AMaGA) invites you to take part in this significant national conference. Bringing together current and future leaders and decision-makers in museums, galleries and governments from across Australia and the Asia-Pacific region, the conference will be an outstanding four-day experience for all.

The conference will include a full program of invited speakers, workshops, lightning talks, social activities and tours, with multiple opportunities for interaction between delegates and sponsors and for showcasing products and services. The Wednesday afternoon program will be dedicated to offsite parallel sessions and activities.

We invite you to join us in May 2020.

Supporting the AMaGA National Conference is an opportunity to:

- Build your profile and brand awareness
- Join the national GLAM conversation
- Show your commitment to the sector
- Be a part of our diverse community of organisations.

THEMES

The theme for the conference is *Creating the Future: Trust. Diversity. Imagination*. Canberra 2020 will invite new perspectives on the museum and gallery sector's role in creating the future. We are looking forward to an ambitious, imaginative and outward-looking program that questions assumptions. This is your chance to share your ideas about addressing our sector's impact on communities, ecologies and economies and building trust and empathy in the context of global challenges. We are particularly looking for papers that bring intergenerational, cross-platform, cross-cultural and intersectional perspectives to the conference. We are looking for new perspectives on the work of the sector and its role in shaping our future communities, society and world.

The conference sub themes are:

- Diversity: Inclusion, wellbeing, identity
- Future: Confidence, sustainability, reconciliation
- Imagination: Creating, challenging, learning
- Trust: Truth-telling, leadership, collaboration.

INNOVATION

In 2020 we are doing a few new things. We will be holding an Indigenous-only pre-conference meeting convened by our Indigenous national council members, and dedicated to supporting cultural safety. More information will be available as the day is co-developed. Another major initiative is the Arts Activation program. This program is an extraordinary opportunity to showcase the work of ACT artists to an influential national and international audience. This is an opportunity for ACT artists to have a profound impact on experiences of the main national event in the museums and galleries professional calendar, which will stay with delegates long after their return home. Another innovation will be that one afternoon is entirely reserved for programmed offsite sessions – where delegates will disperse across the ACT to experience the exceptional behind-the-scenes access we can offer to national institutions here in Canberra and the extraordinary diverse practices in history and art within the ACT. The Call for Papers has also opened up to invite presentations in the forms of demonstration, pitches, debates, performances and videos.

CONFERENCE VALUES

The 2020 Conference is underpinned by a strong, published values statement that sets out our commitment to inclusion, reconciliation, transparency, environmental sustainability and corporate social responsibility. For these reasons, we are encouraging our supporters to consider recognition for their generous contribution in environmentally responsible forms. These values guide AMaGA to maximise this conference's positive contribution in the broadest sense and make this a great connection for your brand.

GET INVOLVED

This prospectus outlines many different ways in which you can support the conference, network with colleagues, and make yourselves noticed. For an out of the box tailor-made sponsorship package, please do not hesitate to contact us.

CONFERENCE INCLUSION FUND

Due to the considerable support achieved in 2019, AMaGA 2020 will continue the Conference Inclusion Fund, allowing sponsors, supporters and individuals to contribute to a pool of funds which will directly assist staff and volunteers from our smallest member organisations to attend. In 2019 this allowed potential delegates across the country to overcome the economic and geographical barriers to attending their national conference and consequently enriched the conversation, bringing a greater diversity of perspectives and experiences.

We urge you to get involved and align yourself with the Australian Museums and Galleries Association for this important and exciting event of 2020 and look forward to hearing from you.

Dr Robin Hirst PSM, President, Australian Museums and Galleries Association, National Council

Penelope Grist, National Portrait Gallery – Co-Chair

Rebecca Coronel, National Film & Sound Archive – Co-Chair

CONFERENCE INCLUSION FUND CONTRIBUTOR

Min \$1,000 (inc GST)

Multiple opportunities

Small museums and galleries hold the heart and soul of Australia. We need your assistance to help them benefit from the experiences of the wider cultural community.

Many of Australia's smaller galleries and museums are staffed by hard-working and dedicated volunteers who protect and unlock Australia's diverse cultural heritage. Without their hard work Australia would be a much poorer place.

Those volunteers are hungry to learn from their peers and colleagues in the cultural sector, and to hear about ideas and initiatives that they could adopt. But they face the challenge of the tyranny of distance, as many such smaller institutions are in often remote regional towns and villages. They put all of their cash and resources into improving their institutions and that leaves little to enable them to travel and learn. AMaGA wants your help to change the situation.

AMaGA's national conference is the most important gathering in Australia for museum and gallery professionals to learn, to meet their peers and to exchange ideas. Smaller galleries and museums should not be denied the access to this gathering simply through distance and lack of resources. AMaGA has established a "Conference Inclusion Fund" to assist volunteers and staff working in those smaller museums and galleries attend the National conference.

We want as many smaller Gallery and Museum staff and volunteers to be able to join us in Canberra in 2020. We have set a target amount for the Conference Inclusion Fund for 2020 at \$10,000 (2019 achieved a result of over \$6,000).

Eligible member galleries and museums, their staff and volunteers, will be encouraged to apply to the fund for assistance to travel to the conference. Support from the fund will cover the cost of conference registration plus some funds towards travel and accommodation. This is anticipated to be a grant of up to \$2,000 per person.

If your company or institution believes in the importance of our cultural collection sector and believes in fairness and equity in being able to share knowledge and learn, then we ask you to please support the Conference Inclusion Fund. If you would like to find out more about AMaGA's support of smaller galleries and museums, and the Conference Inclusion Fund, please contact Ms Alex Marsden, National Director of AMaGA (by phone at 02 6230 0346 or email info@amaga.org.au). If you would like to make a donation directly to the fund you can do so through the 2020 National Conference prospectus by contacting Conference Logistics (by phone 02 6281 6624 or email amaga@conlog.com.au).

With your support our smaller museums and galleries can learn and thrive.

Please note, donations to the Conference Inclusion Fund are tax deductible.
